Mandan wins 2nd seed based of Rules and Regulation's page. **Rule A-13-G states "Tournament seeding of the teams tied in league standings at the end of season play shall be determined by the total goals of the teams involved with league games with each other. if the teams are still tied, a flip of the coin by the League Secretary will determine the seeding of teams"** In the 2 games played vs each other Mandan scored 8 goals and Flyer Gold scored 8 goals. Final tiebreaker in this case is a flip of the coin. Flip of the coin was done tonight 2/27/11, Mandan was given "heads" and Flyer Gold was given "tails". Coin was tossed and it was "Heads". Mandan wins 2nd seed. Flyer Black win 8 seed as they scored more goals in head to head games vs. JVC.
