Caring for Our
Communities

Through our "Caring for Our Communities" program you can support the organization you care the most about in a way that won't stretch your budget.

 Fullerton
Community Bank

See reverse
for details

With the "Caring for Our Communities" program, you can open a new regular savings, personal checking, or money market account with us and we'll make a **\$25** donation to East Fullerton Little League. It is that simple. Just bring in this form when you open your new account and we will take care of the rest.

Fullerton Community Bank is committed to investing its resources back into the communities we serve. Through financial contributions and our dedicated employee volunteers, we are helping to make our communities an even better place to live and work.

New Customer's Name		Date
Address		
City	State	Zip
