

## Garden Grove Pony Baseball, Inc.

“Protecting Our Nations Youth”

Dear Sirs / Madam:

Garden Grove Pony Baseball Inc. has been a long standing Non-Profit organization in Garden Grove established in 1961. We maintain our youth baseball expertise by playing at Walton Fields and we often travel to compete with other surrounding cities. Our objective is to allow our youth to contribute to the Garden Grove community, by providing an enriching environment that promotes excellence in Leadership, Fair Play, and Athleticism in the sport of Baseball. In addition, we provide the importance of Integrity, Team Unity, Bravery, Endurance, Aptitude, Competition and Sportsmanship Win or Lose. All of these are essential values that will help our youth mature into well-rounded adults.

The success in our organization depends on a group of gifted and giving people each season. Garden Grove Pony Baseball Inc. exists solely for the youth of our community. We strive to keep our registration fees to a minimum, which in turn gives the opportunity of participation to a greater number of the boys and girls in our community.
