2010 CARDINAL SUMMER ICE

The Willmar Hockey Association is happy to again offer a low cost, day long camp at every level in June. We have made efforts for it to be easier on parents with the day long schedule, while still maintaining a low fee. If you compare the number of hours of ice time our youth players receive here versus more expensive, out of town camps, the 2010 Cardinal Summer Ice program is a true bargain and it is close to home. Collaboration between our High School coaches, our youth coaches, and other key members of our association has allowed us to again offer camps for Girls, Squirts, PeeWee's, Bantams, and Mites. These camps will hopefully be just as much fun as they will be a learning experience. Thanks for considering the Cardinal Summer Ice program and we'll see you at the rink in June.
