2. 06 - 07 Mini Mite Assistant Coach – Marshall MN	5.
3. 05 – 06 Mini Mite Assistant Coach – Marshall MN	6.

**Why I am running for the Farmington Youth Hockey Association Board:**

I have tried to be involved as much as possible in FYHA since moving to Farmington 2 years ago. Getting involved, in my opinion, is the best way to give back to your kids and/or an organization. For the past 5 years I've coached in different capacities here and in Marshall, MN. I would like to take the next step and volunteer my time as a board member.

A board appointment is a responsibility I don't take lightly. Getting involved in broader association topics requires listening to all the options, connecting with association members and fully understanding all the options before making a decision. I am very interested in helping to make decisions that will better all of the kids involved in the FYHA.

**Other information you should know about me as it relates to my perspective position on the FYHA board:**
