1. 3 kids in hockey.. what else needs to be said?	4.
2.	5.
3.	6.

Why I am running for the Farmington Youth Hockey Association Board:

To be an active participant in a program that my family is very involved in. Also, to assist with decisions that best suit all members of this association from top to bottom, boys/girls and all skill levels. Development and recruitment need to be the focus of this association to enable success now and in the future.

Other information you should know about me as it relates to my perspective position on the FYHA board:

I have been involved with coaching softball and soccer at the youth, HS and adult level.
