Midget	Athol Murray College of Notre Dame	Wilcox, Saskatchewan
Senior	Wheat Kings	Denzil, Saskatchewan

### Coaching Philosophy

Playing travel hockey is a privilege that comes with responsibility. As a Coach I always try to find room to balance equally the four cornerstones of youth development (i) skills (ii) physical (iii) mental (iv) social. There are often teaching elements more important than the game itself. Hard work is a prerequisite and everyone having realistic expectations from Parents to Players is key to having a successful experience.
