He has also spent the last 10 years coaching the Lasers/Ice Dogs. He has one DVHL league championship to his credit, 3 District appearances and several playoffs births.

Coaching Philosophy

Entering my 11th year with the Dogs I have learned one thing; it's all about the kids having fun. I will expect every player to respect the game, the coaches, and the refs. Each player will be held accountable for their actions on and off the ice. I will do everything to make sure all players have a good time and improve their mental and physical playing abilities.
