2009-2010	Ice Dogs 18AA head coach – DVHL champions

Coaching Philosophy

At 18AA, we are very high school friendly. We will do 3-4 tournaments prior to the high school season and the start of the DVHL schedule. Practices will be held once per week on Tuesdays when high schools do not play hockey.

Practices are up tempo using high end drills that challenge the player. Small games in tight areas are run each practice to improve skills and decision making.
