Prior to the Ice Dogs, Coach Horrox was the head coach of the 04-05 Tri State Selects AAA PeeWee Minor, and 05-06 Bantam Minor. He was also involved as an assistant coach in the Warwick Wildcats organization, including the 02-03 DVHL Champion PeeWee A team. His scholastic coaching background includes head coach of the 02-03 SHSHL William Tennent JV Team, and assistant coach of the 04-05 SHSHL Champion William Tennent Varsity team.

Coach Horrox holds a USA Hockey Level 4 (Advanced) coaching certification, earned in 2003. As a former goalie, he has served as a Junior hockey goalie coach, and conducted various training clinics. His playing experience includes Council Rock HS and Penn State University.

Coach Horrox’s general philosophy focuses on playing an offensively-creative while defensively-responsible style, involving all 6 players on the ice in team offense and defense, with attention to up-tempo forechecking, backchecking, and special teams. Players develop individual and team skills through stringent practices, and are all expected to play the team’s style, have fun, and contribute to the team’s success.
