December 14, 2010

SNSA Community:

Happy Holidays! We would like to express our sincere appreciation for your support of Southern Nevada Soccer Association this past year. It is our desire to make 2011 the best soccer year yet for SNSA and all of our programs. We are committed to providing a high quality soccer experience to all of our members, irrespective of age, ability or gender.

With over 5,800 annual participants in our programs, we are the largest soccer organization in Southern Nevada. We have been promoting the game of soccer and the development of youth players since 1998. For recreational soccer, we offer the Henderson United (HUYS) and Southern Highlands United (SHU) youth soccer leagues. We also operate an adult league that offers coed and mens' divisions. For competitive youth soccer, our Heat FC program serves players in the U8 to U18 age divisions, and ranges from younger Select teams to mid-level older competitive teams to very elite teams. At the 2010 Nevada State Cup tournament, Heat FC was the most successful club in Nevada in the younger age groups (U11-U13), earning three state championships and one second-place finish.

We launched two new high-quality websites; the SNSA website at www.snsasoccer.com and the Heat FC website at www.heatfcnevada.com. Please refer to them often, as we continually update the sites to keep our members informed about current league and club programs and events.

We are especially excited as we unveil many new exciting programs and events for 2011:

In January 2011, we kick off the inaugural season of our Winter Club Invitational League for boys and girls in the U8 to U10 age groups. This league is designed for club teams and high-quality recreational teams. Games start on January 8 and run through March 12. We are very excited to offer a competitive youth soccer league in these age groups.

In February 2011, Heat FC will host the inaugural Las Vegas Heat FC Invitational tournament February 25-27, 2011 at the Bettye Wilson and Kellogg-Zaher Soccer Complexes in Las Vegas. The tournament is expected to draw strong competition and to include teams throughout the western United States.

March 2011 marks the start of Spring league play for HUYS, SHU and the SNSA Adult League. Registration for the youth league begins in mid-December and ends on January 23, 2011. Our leagues continue to grow, with a 5% increase in player counts for the Fall 2010 season. We have expanded our services to include a high school girls division and adult coed recreational and open divisions.

In June 2011, we are planning to offer a Summer Indoor League at Big League Dreams. We will also host tryouts for our Heat FC 2011-2012 competitive teams. SNSA will offer a variety of summer soccer training opportunities, including Coerver camps and Sparks Camps. Please continue to check our website for more information about these and other exciting events.

We hope you will join us for what promises to be a great 2011 soccer year!

Yours in Soccer,

SNSA Board of Directors

Danny Siciliano, President

Janet Smith, Vice President

David Merrill, Secretary

Tim Koch, Treasurer
