soccer league

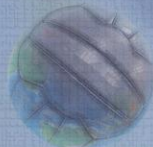

2010 Shoe Drive

Please support the FCSL teams by donating indoor and outdoor soccer shoes (NEW or USED).

All sizes.

Please help us by making sure all pairs are tied together.

FCSL contributes to the personal, physical, and academic growth of urban youth through soccer. Approximately 500-600 Rochester children participate annually. The economic demographic for these youth is 83% at or below the poverty line. FCSL provides a safe and positive soccer environment for these children.

Help us Make a Difference.
