Waterloo West v Waterloo East, Feb 22

**Officers' Reports**

Secretary's Report – Linda Gruetzmacher had previously emailed the January 11 minutes to the membership for review. Motion made to accept minutes, motion passed.

Treasurer's Report – Bruce Meisinger handed out the January Balance Sheet and Income Statement. The Income Statement showed \$52,826 of revenue, \$24,447 expenses with \$10,000 distributed to Athletics, and \$28,379 in profit. The projected profit for the year is \$28,500 and for another \$16,500 to be distributed to Athletics. The Balance Sheet showed an Ending Balance of \$24,120 in the Main Account and \$11,157 in the Long Range Account. It was noted that the Sturgis Falls fundraising dollars had previously been put into the revolving accounts. A motion was made and the statements approved.

President's Report No Report

**Old Business – General Discussion**

- Dan Lynch will be the Fundraiser lead as the head of Ways and Means
- The Recycling Trailer fundraiser was approved by Jeff Frost and Gail Moon. This is a trailer from Mason City Recycling who uses it to make insulation. They come and get the trailer when called. Wayne noted he hopes to get steps to get up to the trailer opening.
- Wayne will find out more about Go Big and consider having a link to that or other fundraising links on our website.
- Consider having photos from middle school events on our website to promote interest from those soon entering West.
- Idea of having all athlete parents as members, to get them active without needing to purchase a pass. Purchasing passes would be geared towards fundraising rather than membership.

### **New Business**

- Officer slate will be needed for next year. At this point there will be an opening for VP, Treasurer and Secretary. Anyone wanting to volunteer themselves or recommend another person should contact Wayne.
- Noted that attendance was very low this evening. Recommend to not have ceramic figurine painting nights on the same night as booster club meetings.

Adjourned 7:50

**Next General Membership Meeting Monday, March 8, 2010**
