

SEATTLEUNITED South Region

The South Region is diverse and full of soccer talent, which we intend to accommodate with as many teams as there are willing players;

- We will be fielding Classic and Community Option teams. Certain teams will be designated Classic teams and players will be asked before being placed on such a team if that is a level they are ready to commit to (year-round select, somewhat higher price point). Other teams will be formed as Community teams, and will add options on an “a la carte” basis, for example, goalkeeper training or additional spring play as determined by the team parents at team formation.
- All of our teams will play and practice within the confines of the Capitol Hill, McGilvra, Mt. Baker, Beacon Hill and La Liga clubs, essentially from the Ship Canal to Renton on the east side of I-5.
- Our coaches will occupy a range from professional coaches with particular license credentials and experience to volunteers assisted by a professional trainer, all under the direction of the regional and city-wide coaching director. Volunteers that meet the standards of the coaching directors can serve as coach without a trainer. Volunteers that would benefit from the assistance of a professional trainer will be assigned one.
- As best as we can accomplish it, teams will be assigned to particular fields and stay there for their practices. We will also strive to have stable and consistent practice days and times so families can plan.
- We will offer Academies for additional experiences and development both in the South Region and through our City-Wide Academy.
- We will have lots of opportunities to scrimmage teams throughout the South Region and against the City-Wide Premier teams.
- We will only require a minimum uniform of a home and away jersey, shorts and socks, costing approximately \$130. Further items such as warm-ups, practice gear and backpack will be the option of each team to require, and will be available to every player.

The following is our estimate of the minimum set of teams that will be fielded in the Seattle United South Region:
