

Congratulations to the South Dakota Submissions to the Northern Plains District Development Camp. Information is available at:

<http://www.npdistrict.com/page/show/83912-np-district-development-camps>

Room blocks have been extended to April 28.

You should receive an e-mail with registration instructions. Note that the time to register is very limited so act quickly. If you miss the deadline, your spot at the Camp will be reassigned (not necessarily to a South Dakotan).
