

WFSC ICE RULES

Everyone is responsible for reading and understanding the rules.

Listed below are the ice rules and regulations of the Woodbury Figure Skating Club. It is expected that all skaters who skate on WFSC ice will abide by these rules, on and off the ice.

1. Good sportsmanship is expected of all skaters off and on the ice.
2. There will be no rudeness to fellow skaters, coaches, rink monitors or parents. This includes name-calling, inappropriate facial displays, swearing or yelling, kicking the ice, or unwillingness to support club rules.
3. All skaters must check in with the rink monitor and turn in their tapes if they wish to have them played. The skater must initial the book for attendance purposes.
4. Any contract skater who has not checked in for a session by ten (10) minutes after the start of the session will forfeit his/her spot if other skaters wish to "buy on." Exceptions to this policy are skaters who have called to notify their coach or rink monitor that they will be late.
5. The skater may not enter the ice until his/her skate bag and other personal effects are in the assigned locker room.
6. The rink monitor is responsible for the safety of skaters on contract ice and the enforcement of the club ice rules. Skaters are expected to respect the authority of the rink monitor.
7. Skaters must present a punch card or tell the rink monitor that they will be invoiced for all buy-on sessions. Buy-on cost is \$16 for open sessions and \$16.00 for high freestyle sessions. Buy on skaters are admitted on a first come first served basis. Those wishing to buy-on may wait in the rink monitor box for the monitor to arrive. Skaters will be admitted according to their line position.
8. Skaters will be alert for other skaters at all time. Skaters who are not alert pose a threat to others. A skater will receive only one warning by any coach, rink monitor or board member before being asked to leave the ice for the remainder of the session. This will be enforced even if the skater is in a lesson.
9. All those skating their programs must wear a sash. All skaters on deck need to be ready to begin when the other skater has finished.
10. The skater wearing the sash has the right of way. Please give them free maneuvering room and be alert to their direction changes.
11. Games like follow the leader, tag and copy cat are not permitted due their inherent danger. Synchro routines or team compulsory practice is also not permitted.
12. On ice discussions are not permitted. Conversations with other skaters should be held off the ice.
13. Skaters are expected to wear appropriate skating attire: no jeans, pajama bottoms, baggy pants or shorts. Skaters with long hair must have it tied up or back. Skaters are expected to reflect their serious purpose in their attire as well as their manner.
14. Skaters may only receive instruction from certified insured personnel who have been accepted by the WFSC as coaches. In cases where skaters buy contract ice without receiving instruction, they must be able to skate autonomously, without help from parents or other uninsured nonrecognized parties.
