

Honeoye Falls Youth Soccer League Philosophy

The Honeoye Falls Youth Soccer League (HFYSL) is an organization that welcomes any child in the community who wants to have fun and learn soccer. We believe that the activities in each league should fit the developmental stage of the children in that league. The US Soccer Association states, “true player development focuses on the development of the player, not on the development of the team!” We want our children to have fun and at the same time, develop individual technique that will carry with them as long as they choose to play soccer.

The HFYSL Board also values the spirit on which this league was founded more than 35 years ago. Positive attitude and teamwork from our MANY adult volunteers is what makes the league successful by providing a rewarding experience for our children. We value the time and energy commitment that many wonderful people make to help our league continue to grow and improve.
