Fusion ELITE Striker/Goalkeeper Camp

The Fusion ELITE Striker/Goalkeeper Camp is a unique program that focuses on two very important parts of the game: scoring and stopping goals. This program is not limited to just forwards and goalkeepers; it is for any player who wants to improve their attacking skills. Small group sessions are set up to challenge individuals in repetitive game situations where attacking players and goalkeepers need to excel: long distance shooting, combination play, 1v1's, turning and shooting in the box, crossing and finishing, and striker movement.
