

Parents Code of Conduct

Team: _____

Coach: _____

1. I will inform the coach of any physical disability that may affect the safety of my child or safety of others.
2. I will learn the rules of the game and policies of the league.
3. I will teach my child to play by the rules.
4. I will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice and or other sporting event.
5. I will respect officials and their authority during the game. I will accept the calls made by the officials.
6. I will not engage in any unsportsmanlike conduct with players, coaches, officials or parent such as booing and taunting, refusing to shake hands; using profane language or gestures. I understand that coaches, officials, or league representatives can require me to leave a game or practice for demonstrating unsportsmanlike behavior.
7. I will never ridicule or yell at my child or any other participant for making a mistake, or losing a competition.
8. I will remember that coaches, coordinators, and league officials are volunteers. I will address my concerns to them in an appropriate manner, away from my child and other youth.
9. I will never question, discuss or confront coaches during a game.
10. I will ensure that my child will attend all practice and games when possible, and when my child cannot, I will inform the coach in advance.
11. I will be prompt in picking up my child from practices and games, or I will verify that someone has responsibility for my child before leaving the child at a practice or game.
12. I will demand a sports environment that is free from drugs, tobacco and alcohol, and will refrain from their use at all games.
13. I will accept the position assignment the coaches give my child and encourage my child to do the best they can at the assigned position.
14. If my child is continually late to practices or misses practices in a week, I understand that my child may have a limited role in the game following the tardiness or missed practices.
15. If my child is not putting forth significant effort (to the best of their ability) during practice or is continually disruptive during practice, I understand that I will have to meet with the coaches to address my child's behavior.
