Another hockey season is quickly approaching and the Becker/Big Lake Youth Hockey Association is asking for your support for the 2006/2007 hockey season. Last season, over 120 kids within the Becker/Big lake communities, ages 5-14 took part in our program and this year we expect to have even more.

Our association continues to grow strong and our levels of play continue to become more competitive with help from individuals and companies within our community. Becker/Big Lake Youth Hockey Association continues our mission to support youth hockey within the communities of Becker and Big Lake and to install the following values within our participants:

**Sportsmanship, Respect for individuals, Integrity, Pursuit of excellence, Enjoyment, Loyalty, Teamwork**

Your sponsorship contribution to our association will help pay for team jerseys, water bottles, pucks, training equipment, reduce ice fees and provide team essentials such as medical kits.

Below are the different levels of sponsorship. Simply select a level, fill out the enclosed form and drop it in the mail to the address listed. Your contributions make a difference within our association and within our community and are greatly appreciated.

Bronze	Silver	Gold	Platinum	Titanium
\$100	\$300	\$500	\$750	\$1000
