

BPLYHA Special Meeting
May 24, 2010
Becker Community Center

Attendees: Brad Weber, Krisha Friede, Brice Green, Jim Koenen, Chadd Gundberg

Meeting Minutes

1. Call to Order – 7:08 PM
2. Girls Program
Brice and Krisha met with the Riverhawks. They are open to having our girls co-op. Also open to starting a U8 program. The tough part is adding the girls to the high school program. Adding the Becker and Big Lake enrollment numbers would make the high school program too big and a split would be forced by the MSHSL. Krisha will schedule a parent meeting for July and also communicate with the girls parent via email. She is requesting estimated costs from the Riverhawks as well as a written agreement.
3. Marketing
The board is exploring new ideas. Largest issue is recruitment. Brad discussed a possible credit for families who recruit a new player to the association. Need to look at providing equipment making things as easy as possible for new players.
4. Volunteer Fees & Exempt Positions
Discussion was held about the current volunteer requirements, fee and exempt positions. Changes are forthcoming, issue tabled for the June meeting.
5. Next Meeting
Tentatively – June 7th at the Becker Community Center
Budget Meeting – June 13th at TBA
6. Motion to Adjourn made at 8:42 PM by Chadd, second by Jim. Motion carries.
