

Are you Paying Too Much For Credit Card Processing?

Put Money Back into Your Business!

RBS WorldPay, one of the largest and most reliable payment processors in the country. RBS WorldPay currently processes nearly 10 million transactions per day with a processing volume in the billions of dollars.

RBS WorldPay is a National Leader in Credit Card Processing

- **Faster Funding – Same Day Credit, Next Day Availability to a Citizens or Charter One Bank Checking Account**
- **Check Guarantee & Verification – Reduces Risk of Costly “BAD” Check Losses**
- **Debit / ATM Cards – Lowers Credit Card Processing Fees & Increases Payment Options**
- **Gift/Reward Card Programs – Replaces Paper Gift Certificates & Increases Customer Loyalty**
- **Additional Products & Value Added Services:**
 - **Wireless Terminals, PC Software and Internet Solutions**
 - **Automatic Recurring Billing Programs**
 - **Elimination of Paper Reconciliation through Online Reporting Options**
 - **Reduction of Existing Credit Card Processing Costs**

Please call or email me for a **FREE Rate Comparison Evaluation** of your current Merchant Relationship. I will analyze your current business needs and prepare a free analysis for you to review.
