### REFUND POLICY

Refunds may be made to players leaving Marquette Junior Hockey before or during the season based on a weekly prororation. The MJHC Board will only consider the following reasons:  
 Serious medical condition, verified by a doctor, which would preclude the player from continuing or returning to the season. (Season-ending injury prior to January 1)  
 Family moving out of the Marquette area.  
 All requests must be made **in writing** to the MJHC Board of Directors by February 1 and are subject to a \$20.00 processing fee.

### REGISTRATION POLICY

Players may register only when their past debts or the past debts of any siblings to MJHC and previous team obligations are in good standing (zero balance due). Players may not participate in any MJHC on-ice activities including any tryouts or evaluation sessions until the previous years' obligations to MJHC are paid.

Registration fees include 12 coupon books, except for Skill Development Program which will get 5 books. At the time of registration the minimum payment is due. (See chart) **Coupon books are part of your registration fee. They are not returnable or refundable.**

**First payment is due prior to September 1, 2010. Balance may be made in four payments, with payments due October 1, 2010, November 1, 2010, December 1, 2010 and final payment January 15, 2011.** No player will be allowed to skate in end of the year tournaments unless their accounts are paid. Any payment of fees with a non-sufficient fund check or a refused VISA charge will result in fee of \$35.00 and the player being removed from active status until released by the MJHC Treasurer.

Applications for refunds must be made in writing to the MJHC Board of Directors, and directed to Linda Winslow.
