How do we handle absences? We approved verbiage in the minutes but did not put them into the EWSC minutes.

Is this a real problem or perceived problem? As a board we need to be consistent with the rules.

Clarification for bidding of EWSC services and products of expensive items need to be brought to the Board for review and approval.

Advertising should be reviewed and approved by Board before posting to the website.

What issues should we consider besides money for being included in website advertising? These issues should be addressed by the marketing subcommittee.

SmashBurger advertisement and coupons for teams to give out to MVP at each game.

Proposing tournament dates move to weekend before Memorial Day for Future Stars.

Coaching Director –

Putting together a presentation for meeting with EAA. We need to offer incentives for EAA to partner with EWSC. We can offer coaches training and kids training programs.

Develop a curriculum for all ages. Start with U7, U8, etc.... Bill Douglas started this in pool training.

WE need to offer access to our training programs out to EAA teams and kids.

Per those who attended the EAA meeting, our relationship with EAA is looking better. They are more focused on working with us and letting us help them develop.

Boys Director –

Propose we refund U18/U19 player. Approximately 11 kids signed up with eh intent we would refund the money if we did not receive enough kids to start a team. It has been confirmed we do now have enough kids but he is not interested in playing soccer anymore. He has not played or practiced with the team to date.

Why? This was initially a hopeful / maybe team to begin with. Our idea was to encourage and enable this age group to form a team. We now get this request from this family in April due to extenuating circumstances. The team does not need him to continue.

Motion to approve the refund minus the MYSA fees by Mike M. Seconded by Skip N. Approved unanimously.

Field Director –

We will have all practice schedules posted by May 3rd

We had problems with lots of reschedules this year. We will have teams manage their own schedule information from now on. MYSA made a bunch of changes this year after the original scheduling. In the past and we never used to see the schedule until after the reschedules have been posted. That is why many changes needed to be made to team pages.

Equipment Director –

Nets are up and ready for games. All is going well.

Girls U13+ Director

4 teams were in the Blaine finals.

3 Champions

1 Second Place team. Lost in a shootout.

Referee Director –

Post the phone number on the website to call if referees do not show up.
