**Fundraising Discount**  
Each skater is required to sell  
**12 BYHA Calendars**

Discount & Volunteer Agreement
<p>As the legal parent or guardian of the player I am registering for today, I understand that the discount I am receiving from Bemidji Youth Hockey is a fundraising discount that I am financially responsible for. The fundraising items that I am agreeing to sell, must be returned sold by the specified date(s) or I will be invoiced by BYHA for the appropriate amounts, whether unsold or lost. Lost tickets must be paid for in full by law. I understand that an invoice from BYHA will be sent to me after the calendar/raffle tickets have all been collected and I will be required to pay any shortfall. I also understand that I will fulfill our volunteer requirements (DIBS) as established by the BYHA Board. These requirements will include, but are not limited too, concessions, off-ice official duties, tournament coordination and other miscellaneous duties.</p>

3+ Skaters in one family?
<p>Maximum calendars required to sell is 24 for any one family</p>

**August 2011:** BYHA has been advised by our accountant that we will no longer be able to offer unlimited fundraising or selling of extra calendars for credit towards your hockey fees due to IRS regulations. We are sorry for any hardship this may cause.
