

Southern Nevada Soccer Association Player Technical Training Program

Southern Nevada Soccer Association (SNSA) is pleased to offer our Player Technical Training (PTT) program to registered Henderson United Youth Soccer (HUYS) and Southern Highlands® United (SHU) coaches and players. PTT consists of four Friday evening practice sessions conducted by the coaching staff of the SNSA competitive soccer club, HeatFC, under the direction of Technical Trainer and former professional player Esad Morina. PTT is an opportunity for all players in HUYS and SHU to develop their individual soccer skills, and for coaches to further their training by learning drills and activities designed to promote the development of fundamental soccer techniques. HUYS and SHU coaches are encouraged to attend and participate.

Anthem Hills Park
Fridays, March 16, 23, 30 and April 13
U5-U6 train from 5:30pm-6:15pm
U7-U8 train from 6:30pm-7:15pm
U9-U10 train from 7:30pm-8:15pm

NOTE: All PTT participants are required to wear their current HUYS or SHU jersey in order to participate, so that we can verify that the player is registered and insured. Players should bring a ball to PTT and wear their shin guards.

ANTHEM HILLS PARK
