

In order to access your Team Page, your computer must have JavaScript enabled. For help in enabling JavaScript please go to this link: [JavaScript enable link](#)

Access your Team Page through the Team Gateway at varsityswim.com.

Your team login is: **WACHUSETT** (case sensitive)

Your team password is: **STORM** (case sensitive)

The login will direct you to a page where you **must** create a personal login and password. Because you initially reached this page through the Team Gateway using your team password, you will always be linked to your team. Do **not** use your **team** login name (**WACHUSETT**) as your **personal** login.

Once you have created your own personal login and password continue to fill out the personal information and click the Submit button on the lower right hand corner of the page. You will then be automatically directed to your team store.

When returning to our website simply enter your **personal** login and password at the Team Gateway and that will take you to your personal account information (at which you can edit this information). At this point, click again on the Team Gateway and that will take you to your team store.

Custom items will be sent to Tami Allen for distribution. Non-custom items will be sent directly to your house. Feel free to browse the website for additional items that might be of interest, purchasing these items would be sent to your house.

If you have any questions or problems, please email us at: info@varsityswim.com.

Thank you for your business.

Sincerely,

Varsity Swim Shop, Inc.
