

### **Background Checks**

COYBL does not mandate background checks since we do not select teams, coaches or players

COYBL does offer background checks for teams for the low cost of \$1.00 through a third party. COYBL does not certify or guarantee the background checks nor do we assume responsibility or liability as a result of the findings in the background check.

### **COYBL Full Disclosure Policy**

COYBL has a full disclosure policy. Any and all complaints against parents, coaches, umpires or league officials must be made to the league office in writing to [coybl@columbus.rr.com](mailto:coybl@columbus.rr.com). Phone calls and written letters will not be accepted.

The complaint in its entirety will be shared with the accused as well as the organization they belong too if one exists.

The Full Disclosure Policy is to protect the league, the person or persons writing the complaint as well as the accused.

Once the written complaint is made properly, COYBL will determine what to do from there. Since COYBL does not select coaches, complaints about playing time or other team issues will not be addressed at the league level.

If the team is part of a Local Organization of teams, the complaints must go to that organization first and foremost.
