

Cap information:

The Club will provide you with one free latex cap, with the eagle and RWSC printed on it. Additional caps are \$3 each.

Team Suits:

As you see at meets, most teams have a team suit. This helps bring unity to the team, and helps identify Red Wing right away. We have selected a suit through Elsmore Aquatic, who will give us a team discount. I will have sample suits at the pool for sizing as soon as I receive them. We will keep this suit as our team suit for 2 years. Please wear them for meets only, and use another suit for practice.
