

Dear Red Wing Swim Club Families,

The 2010 Fall/Winter swim season is almost here.
Clinic starts Monday, September 13 at 6:00pm.

Register at the door that night.

Please encourage friends, neighbors and relatives to try swimming.

The Fall/Winter Swim Club season begins Tuesday, September 21.

Registration is on Monday September 20 at TBMS.

Returning swimmers register at 6 pm. New swimmers at 7:00pm.

The 2010 summer season started a new/old chapter for RWSC. New and old because we have been fortunate enough to hire Tom Fuchs as RWSC head coach. Tom previously coached RWSC from 1985-1991. Now he returns with an incredibly deep swimming background, competing as both a swimmer and coach for over 40 years. He has trained, coached and developed swimmers to compete at all levels from elementary to college age. This past summer season many of our swimmers competed and performed at a much high level under Coach Tom's tutelage. Parents and swimmers alike have commented on Coach Tom saying "he's really good and he really knows what he's doing". With Coach Tom, the experience and faithfulness of Coach Ann and the help from all the great families that make up the club the future of RWSC has never looked so good.

With each new season comes the need for **your involvement**. The Red Wing Swim Club would not be able to exist without the valuable help from all of our members and their families. We will be hosting an A/B/C meet Jan 8th & 9th and potentially a Novice meet Jan. 7th. Our fundraising has been very successful in the past and we will continue to need your help this year with bagging groceries at Econofoods, serving food at Culver's, and working our hosted swim meets. These activities are vital to the club and are always a fun team-building time.

We encourage past and present swimmers to register for the upcoming season. Come enjoy swimming and take a real opportunity to become a faster swimmer. We are proud to have a new gifted and talented coach that can bring our RWSC swimmers to a new level of performance. Remember to invite your friends and neighbor kids to "Take On Swimming".

We would like to take this time to thank Joni Gorman and Susan Christenson for many years of dedicated RWSC service. You two have put up a big sail for the rest of us to ride. Thank-you!

Thanks to all of you that have supported RWSC over the years. Without your expertise and time we would drown.

Sincerely,
Scott, Sally Roth & Chuck, Tami Connelly,
RWSC Co-Presidents.
