

# Southern Nevada Soccer Association Goalkeeper Training Program

Southern Nevada Soccer Association offers free goalkeeper training to registered Henderson United Youth Soccer (HUYS) and Southern Highlands® United (SHU) players in the U9-HS age divisions. Training will be conducted by the goalkeeper training staff of Heat FC, SNSA's competitive club program. Goalkeeper training is an opportunity for players who are interested in playing the position to develop basic goalkeeping skills, including catching, footwork, and positioning. The training consists of four field training sessions at Acacia Park.
