

### ***Interested in learning to ice skate or play hockey?***

The Mosinee Hockey Club would like to invite you to join our 2011-2012 Learn To Skate Program.

Whether your family has been involved with hockey for years or you're new to the sport, we're sure you may have some questions. Hopefully this flyer will answer them!

#### ***What is "Learn to Skate"?***

Mosinee Hockey Club offers skating lessons that provide the fundamentals for figure skating, hockey and recreational skating. Additionally, MHC provides helmets, gloves, knee and elbow pads so that your child learns in a safe, secure way.

#### ***Who is it for?***

LTS is open to any child, boys and girls, residing in the Mosinee School district that are 4 years old and above. Also open to Edgar, Stratford and Marathon.

#### ***What will the kids learn?***

In addition to the basic skills of skating (stopping, proper gliding, turning, how to fall without injury, backward skating, etc...), your child will learn the basics of hockey including: beginning passing and shooting drills, skating with the puck and a variety of fun filled activities.

#### ***What does it cost me?***

The approximate 4 month season is yours for only \$50 dollars and an expectation that you assist the MHC in its fund raising efforts by volunteering in the concession stand at the Hockey Rink and selling \$100 in Raffle tickets. It's a very small investment when you think of the enjoyable family entertainment skating can provide. It's a family oriented social activity, that makes those long and cold winter months seem to fly by.

#### ***How does that compare to other skating lessons?***

Other associations offer introduction skating lessons at \$40 for approximately 8-one hour sessions. We offer approximately 17 lessons for \$50 and let you borrow most of the equipment. In Learn to Skate, you will need to purchase a very minimal amount of "gear" for your son or daughter. Hockey skates, a mouth guard and an inexpensive hockey stick are the only equipment you need to purchase.

#### ***When are practices?***

First practice is Sunday, November 6th. Practice throughout the season will be on Sundays from 4-5pm. There will be a schedule posted at the rink and on the website [www.mosineehockey.com](http://www.mosineehockey.com) Following most of your practices, there will be open skate time, so the whole family can stay and skate! Equipment handout will be Sunday, October 23rd, from 3-5pm at the Mosinee Rink, Locker Room #6.

#### ***How do I sign up?***

Registration is September 8th and September 12th 6-8pm at the Mosinee High School Library, or you may contact our Registrar - Amy Stepan at 693-8722.

**\*\*\*See our website Registration tab for form and USA Hockey Registration link.**

Here are some names & numbers of active members of the Mosinee Hockey Club. Gives us a call, and we'll be happy to answers any questions you may have.

Amy Stepan	Registrar	693-8722
Steve Lewens	President	693-4288
Jim Rogers	Vice President	551-7980
Tom Fitzgerald	Secretary	693-8424
Paul Rheinschmidt	ACE Coordinator	693-6858

***Remember: A kid on ice is seldom in hot water!***
