DONATE

In 2007 MYHA started a cell phone recycling program whereby the association receives a rebate check for the old/unused cell phones that we donate. The donated cell phones are refurbished and utilized for 911 purposes for women in crisis throughout the US and redeployed nationwide to developing countries to improve quality of life through communication. Please place your unused cell phones in the drop box located by the concession stand in the lobby, or bring them into the office to support this worthwhile cause.
