	Name	Phone Number	Email Address
Team Uniform Coordinator			
Team Tournament Coordinator			
Player/Coach Pass Preparer			
Team Photo/Food Shelf Coordinator			
End of Year Party Coordinator			
Car Pool Coordinator			
Team Fundraiser Coordinator			

Coach/Team Manager maintain original form. Please send information to Admin. Dir.

Volunteer Roles

Assistant Coach: The assistant coach is needed to support the head coach. Having an extra set of eyes and hands ready to help on the practice or game field is reassuring to the head coach, players and parents. Coaching provides an opportunity to develop a lifelong passion for sports in our community's youth.

Team Manager: The team manager can act as a liaison between the coach and the team parents. The team manager provides the essential role of coordinating the team's administration and communication duties so the coach's time is maximized coaching the kids. There are many shared coach/team manager duties described on the *Traveling Team Checklist*. A team manager provides a key role in a team's success and the overall experience for all who participate.

Team Sportsmanship Advocate: The sportsmanship advocate is needed to represent SLPSA's sportsmanship policy when needed. SLPSA's sportsmanship policy is stated in SLPSA's *Guidelines for Traveling Practices and Games*. Two sportsmanship advocates are requested to ensure at least one sportsmanship advocate is present at all games, especially at home games. Training/materials may be offered by the SLPSA club sportsmanship advocate coordinator.

Team Concession Stand Coordinator: The team concession stand coordinator works with the club concession stand coordinator to schedule team volunteers to operate the concession stand at Louisiana Oaks Fields. The team concession stand volunteer helps make sure the team has satisfied the club's current policy regarding concession stand volunteer team hours. Other team volunteer opportunities may require the coordinator's support such as tournaments or other events hosted by SLPSA.

Team Uniform Coordinator: The team uniform coordinator works with the team parents and the club uniform coordinator to determine/satisfy any uniform needs for the team.

Team Tournament Coordinator: The team tournament coordinator supports the team's decision regarding tournament registrations and communications working closely with the Coach/Team Manager. This may/may not include season-ending playoff planning and communications depending on the coach/team manager's need for support.

Player/Coach Pass Preparer: The player/coach pass preparer obtains player/coach passes from the club Registrar, gathers/prints and attaches player/coach photographs to paper pass, obtains player/coach signature and laminates each pass per MYSA rules.

End-of-Year Party Coordinator: The end-of-year party coordinator organizes and communicates plans for a team party/banquet at the end of the season. This is not a club sponsored event and each team is solely responsible for the activities.

Car Pool Coordinator: The car pool coordinator organizes and communicates the car pool needs of the team as needed.

Team Fundraiser Coordinator: The fundraiser coordinator organizes team events to raise money typically to offset team tournament costs.

Snack Coordinator: SLPSA has no policy regarding team snacks during/after a game or a practice. This is entirely up to the team to decide if they desire a coordinator to split the snack responsibility amongst the team parents.

Thank You for Volunteering!
