

## GENEVA FOXES PARENT AGREEMENT

I will personally display the highest level of sportsmanship at all times. I understand that if I, at any time at the fields or away from the fields, display behavior that is in any way unsportsmanlike or disruptive to the team, players, coaches, umpires or other parents, I will be asked to not attend current (leave premises) or future practices or games.

I understand that:

1. Players participate in the games and practices;
2. Coaches teach during games and practices;
3. Parents cheer and support their player(s) and their player's team(s).
4. Parents must return phone calls or emails from the Head Coach or Manager when an issue arises.
5. I have the right to disagree with the coach's decisions and I agree to discuss these differences one on one at an appropriate time and place with the head coach. I will never question or confront a coach in front of the players or other parents.
6. That verbal abuse of an umpire will not be tolerated. I will never question or confront an umpire.

I understand that when the rules are not followed, it can lead to negative effects for player(s) and their team. I understand that failure to follow this agreement will lead to the following disciplinary action by the Head Coach:

First Offense - Removal from 2 future games

Second Offense - One month ban (30 days) from games and practices

Third Offense - Removal of parent from the program (games and practices) for the remainder of the season.

Any parent that does not sign the agreement will not be able to attend practices or games.
