*** Emergency Shortage***

In 2007 MYHA started a cell phone recycling program whereby the association receives a rebate check for the old/unused cell phones that we donate. The donated cell phones are refurbished and utilized for 911 purposes for women in crisis throughout the US and redeployed nationwide to developing countries to improve quality of life through communication. Please place your unused cell phones in the drop box located by the concession stand in the lobby, or bring them into the office to support this worthwhile cause.

Arena news 2010

The 2010-11 season is here. Players, parents, and coaches are excited for the new season. The arena staff and girls in the concession stand are also ready for the upcoming season.

We have a few new rink attendants this season. Brian and Travis, two regular employees for 5 years, have moved to TRF and will not be with us this year. They will be missed and we wish them luck. Our two new employees are Tony Castor (former spud) and Dave Baltes (Sauk Rapids). The other employees are Adam Fogel, Steve Hagen and Dave Hann.

The concession stand will have three new employees; Jamie Cary, Kristin Drechsel, and Bailey Lund. We also have a few of last years girls back again.

Most of the popular items will be for sale once again in the concession stand with the addition of Icy smoothies. They seem to be a hit so far. The flavors are cherry and blue raspberry.

Over the summer we painted the locker rooms and most of the lobby. We cleaned the puck marks off the boards and did some remodeling of the weight room. It seems like we are doing a lot of fixing now that the building is aging and things just don't hold up as well. Thank you to all the volunteers who have helped when called upon.

As you may have heard, we are working on the outside rink making it ready for Hockey Day in Minnesota on Feb 12th. Much of the work has been done with some odds and ends left to do. Thank you to all the volunteers for their help. We went to Crookston to disassemble their plexi glass from their old rink and have installed the plexi outside. We have hauled in truck loads of clay to level off the viewing area for fans to stand on. Much of the electrical work has been done by Rick Electric to prepare for the big day. It should be a great day for Moorhead Hockey. Keep that day open and attend all the events planned for the day. Much more info will follow.

Please contact me with any concerns, ideas, or complaints about our arena; I will do my best to make this rink the fun place that it has been for the past 12 years.

Good luck this season.
Denny

Reserved Parking Signs

Parking signs were installed in 2003 in the front of the building to reserve parking spaces for the Arena Manager, the Gaming Manager, the Office Manager and for the handicap. Our employees are coming to the rink seven days a week at all different times to deal with hockey, concessions or gaming related issues. Please respect the signs and do not park in these spots.

Also, we have four signs posted for private parking. These families have paid for the ability to come to the rink and park in the front row. Again, please respect the signs and do not park in these spots.
