January 2012

Dear Athletes and Spectators:

On behalf of the City of Maple Grove, I would like to welcome you to one of the fastest growing community events – the Maple Grove Triathlon: Dare to TRI. The setting for this event is Weaver Lake Park on Saturday, August 25, 2012.

Since its inception in 2010 the Triathlon has hosted over 1,200 athletes including 2x Ironman World Champion Chris McCormack last summer. Whether you are a seasoned or amateur triathlete, you will be in good company, and we applaud your participation in this test of athletic skill and endurance.

Spectators, cheer on the competitors and provide hearty applause for each and every one crossing the finish line. Bring the kids and family as there are activities to entertain them as they wait with anticipation for their triathlete.

Community support is high for this event, so we turn to our community to volunteer their time and talents. Residents, work colleagues, sports groups and families and friends are encouraged to be part of the fun by offering their services.

Event organizer Dare to Dream Events, LLC is committed to providing a well-managed event and work hard to ensure a safe and enjoyable multi-sport experience. They are pleased to again welcome Star Events and host the European race distance TriStar111.

We invite spectators and athletes to enjoy the 2012 Triathlon this August as well as the many amenities in Maple Grove!

With best regards,

Mark Steffenson  
Mayor
