by Al Nikolic

Although summer is traditionally a "lull" period for our teams, we must already be thinking of the fall season. With this, comes the need for personnel to staff our teams' needs at this vital time. If you are interested in working with youngsters, have an interest in soccer, or know the game inside out, you fit the qualifications for those crucial positions of manager, coach, or asst. coach. Coaches and managers are needed on the PeeWee-Bantam levels, and managers are a necessity on the interm.-junior levels. Asst. coaches are needed throughout the teams. The main qualification is the desire to work with young boys for asst. coaches and managers. Coaches, of course, must know what they're talking about!

# Remember...

Sunday, August 16, 1970 marks the 2nd Annual Milwaukee Kickers "Kicknic". The picnic will be held at Estabrook Park, Area #2, as it was last year. (This is the area which adjoins the soccer field). Activities will begin at noon and go on ...and on...! This year, the highlight of the day will be the "Battle of the Sexes" (not to be taken literally!) at 4 p.m. This will be a soccer game between the New Stars (the women) and the Old Stars (the men), and should prove to be an entertaining event for all. A junior division game is also planned, as well as other types of games for children of all ages.

Food will be handled in a "Bring-your-own-and-something-to-share" manner. That means you can bring whatever meat you plan to have and something (a side-dish: potato salad, corn on the cob, beans, etc.) to share with everyone else. These "shares" will be set out on one long table for everyone to help themselves. Mrs. Julie Beisser is co-ordinating the food so please give her a call(444-2012)if you haven't already done so and tell her your "share" choice. If you would like to make another type of donation instead of food(prizes for games, money, etc.), please let her know also. (Deadline, August 10th)

It should be a fun-filled day, so bring the family and make a day of it with the Kickers! See you there!

## NO. 3

The Kickers welcome #3 to the growing "SQUIRT" team: STEVEN ANTHONY DRAGHICCHIO. Born on July 14th, he is the son of Carol and Lorenzo Draghicchio. Steven was born into a soccer-thinking family, what with his grandfather, uncle, and dad all actively involved in the sport. Whew! What an act to follow! Congratulations to the proud parents and family from the Kickers!

## CAR WASH

Give your car a treat-- get it washed by a Kicker! Not only will you make your car feel better, but you will make the Kickers' bank book feel more comfortable as well! It takes money to run a club and you can contribute by visiting Chuck Haney's Hometown Station, 501 W. Brown Deer Rd. (Brown Port Shopping Center) between 9 a.m. and 5 p.m. on Saturday, Aug. 1st and really "cleaning up"! (Candy will be available at the car wash as a bonus treat for yourself!)

## Yummies

If you have a sweet tooth (and who doesn't?) then the Kickers have the solution-- buy a tin of famous Kathryn Beich candy from us! The candy is currently being sold by board members, but you can be a salesman yourself by calling Mrs. Dorothy Kral (962-0999) and placing your order. Each tin is just \$1.00 and you know the cause is worthy--so support your club!

# Meeting

The Semi-Annual Meeting was held on Tues. July 21st at Pabst Blue Ribbon Hall. A movie, "Introduction to Soccer" was shown and proved to be an exciting and informative display of the game. Mr. John Zussman, president of the Wis. Soccer Assoc. spoke to the group. The turn-out was not what it could have been, but those who were there enjoyed the complimentary refreshments and the opportunity to meet others in the club.

# Leo Gabrich Cup

The annual Leo Gabrich Memorial Tournament will be held at the United Serbian Soccer Field, 51st & Oklahoma, on Aug. 15th, 22nd, and 29th. This is a Junior Division tournament and all five of our junior division teams are entered. If they win on Aug. 15, they will go on to the other dates--except for the PeeWees they start off in the Finals! Here's the schedule for the 15th:

Bantam: Kickers vs. Brewers 11:00 a.m.  
 Midget: Kickers vs. S.A. 12 noon  
 Junior: Kickers vs. Blue Eagles 4:15 p.m.

As of this writing, there is a discrepancy in the Intermediate schedule, but our team is entered, so come out to cheer on these great teams!

Bob Guelker, soccer coach at So. Ill. University in Edwardsville and former USSFA president, was named to coach the United States Olympic soccer team for the 1972 games in Germany. Guelker has compiled a lifetime record of 118 victories in 136 games.

# CLINIC

The University of Wisconsin-Green Bay will hold a "Workshop in Teaching Soccer Skills" on Saturday and Sunday, Aug. 15-16. Instructors will include Dettmar Cramer, former coach of German national teams and F.I.F.A. coach, and Lou McCalsey, UW-GB soccer coach. The workshop will be conducted in an effort to provide officials, coaches, players and youth of the state of Wisconsin with a better working knowledge of all aspects of the game of soccer. Registration for the 2-day workshop is \$5.00 per person, with youth under 16 admitted free. If you wish to attend for one day only, the fee is \$3.00. The workshop will run from 9 a.m. to 5 p.m. Aug. 15th and from noon to 5 p.m. Aug. 16th. Registration forms can be obtained from Al Nikolic (461-0987).

# Happy 2nd

This month marks the 2nd "Birthday" of the KICKS newsletter. We feel it has come a long way, but are continually working to "professionalize" it. Soon we will have pre-printed masthead pages courtesy of the Pepsi-Cola Co., which will improve the appearance greatly. If you have any news, ads, or other suggestions, please contact Helga Nikolic.
