

Chaska Baseball Association Volunteer Program

Volunteers are the lifeline the Chaska Baseball Association(CBA). Without volunteers contributing hours each season, our association simply could not exist. The Volunteer program, "DIBS" , has been designed to eliminate the need for last minute volunteers and create a schedule that will allow each of us to choose our own volunteer hours. Volunteer hours will be logged and each family will have a set number of hours to fulfill during the season. We're excited about the ever-improving volunteer system. Here, you are in control of your volunteer destiny, with all the benefits, flexibility, and accountability that go along with it. We'll keep everyone updated as this system continues to evolve.

Some highlights of the program include the following:

- ❖ Volunteering will be on a first come, first serve sign-up
- ❖ Sign up on-line at your convenience. View all open shifts in one central location and select those that best fit your hectic schedule.
- ❖ Each family will have a set number of credits(hours) they need to fulfill and these credits will be logged using the DIBS System.
- ❖ Each family will have their own user name and password that will allow you to register for the credits that you would like to work and view your own calendar.
- ❖ If you are unable to cover your shift it will be your responsibility to find your own replacement for your shift.
- ❖ A minimum of **6** credits per player (**Families with multiple players will have a family cap of 15 credits.**)
- ❖ Each team will work their own home tournament. These will not count towards DIBS.
- ❖ Credits need to be fulfilled by adults. This means no siblings, neighbors, babysitters, etc will be allowed to fulfill hours. Also, no children under the age of 16 are allowed in the concessions area at any time.
- ❖ All credits need to be logged on the computer scheduling system.
