Thank you for your generous gift to help fund our Millard Athletic Association sports programs. Millard Athletic Association teams are required to place all funds received into the association’s team account. Dispersing of funds is done by the association’s officers to ensure that these funds are used for your stated intent. At no time is a team or coach permitted to have any funds placed in an account other than the one established and maintained by the association. Support such as yours ensures the continued success of these programs for our area’s youth, and without people and businesses like you, programs like this could not exist. Once again, on behalf of the teams and in particular the players, thank you!

IMPORTANT TAX INFORMATION

The association has applied for and received from the I.R.S. the coveted designation of being a 501-C3 charitable organization. **(Federal tax I.D # 47-0544755)**. Under this designation, funds placed in the organization account on your behalf become tax deductible under the limits set forth under I.R.S. guidelines. Please check with your tax preparation specialist for proper accounting of your donation or gift.
