Call to Order: Brad Weber 6:15

#### **(PYHA) Princeton Billing Issue**

Recap issue presented by Chris Stalpes on 1/16/11.

- Princeton is charging peewees for 9 practices and 7 games they didn't get according to personal calendar accounts.

Past due amount for PYHA is approximately \$2435 for 2009-2010 season.

BBLHYA assoc. billed players initially for the amount of BBLHYA registration with the understanding that the amount would change per PYHA fees.

The additional fees amounts were not known initially.

There were billing issues with PYHA, the resolution of those disputes resulted in reduced fee amounts to BBLHYA parents.

BBLHYA association acted as middle man between players and PYHA.

Unpaid bills can reflect negatively on association, could prevent BBLHYA from using Princeton Arena.

Brad Weber proposes to make payment to Princeton immediately for ½ the total amount due.

BBLHYA parents with past due amounts will be required to continue making payments as per payment agreement set up previously.

Current payment plan for BBLHYA parents is in place, outstanding balance must be paid by registration 2011, else those players will not be allowed to register for BBLHYA or USA hockey.

Brad Weber to write letter to parents who dispute their bill in this matter: will be required to submit supporting documents to Brad Weber by February 15, 2011. Supporting documents may include District calendar, Princeton schedule, and/or any other information of substantial source.
