

## *Road Hazard Certificate*

This document promises pro-rated replacement on all tires registered in the event of a failure due to a non repairable Road Hazard, workmanship or materials defects for the life of the original tread, down to 3/32-inch remaining or three (3) years from date of purchase, whichever comes first. At time of adjustment, owner will be responsible for:

1. Portion of tread worn.
2. New road hazard certificate.
3. Balancing & valve stem.
4. Tire disposal and any applicable taxes.

This certificate will be honored at any S&S Tire or Best-One Tire dealer. The adjusted tire(s) will be replaced with the same or comparably priced tire(s). This certificate does not affect the original manufacturers guarantee in any way. Commercial and farm use excluded.

This certificate does not cover ride disturbance or vibration problems after the first 25% of wear, tire damage caused by collision, vandalism, and mechanical defects of the vehicle or willful abuse of tire and is non-transferable. This certificate must be presented at time of adjustment.

If you cannot get back to the S&S Tire dealer where you purchased this certificate call 877-NEED-TIRES (877-633-3847) to find the S&S Tire closest to you. If our nearest location is more than 50 miles from you, simply go to the most convenient tire retailer and have your tire problem handled. If your tire needs to be repaired, bring us the receipt and we will credit you for the repair (not to exceed \$15.00). If your tire can not be repaired, replace it. We will give you credit for the tread remaining on the tire. To receive credit you must have:

1. Your tire with the road hazard.
2. Your original invoice.
3. The road hazard certificate you purchased.
4. The invoice where you purchased the new tire or had the old one repaired.
