

## **Registration**

Although every effort is made to accommodate each and every child wanting to participate in PAFA, the number of participants is limited. This is primarily due to the number of qualified coaches, equipment and availability of practice fields. We use the following priority selection criteria for acceptance into the program: 1) Returning Veteran Players, 2) Siblings of Veteran Players, 3) New Participants. A lottery drawing by division, if required, will be used to determine the priority status of new participants. The Palatine Park District will provide a registration/lottery number when the player is brought in to be weighed at the Wood St. location. Use this number to monitor your status on this web site. It is PAFA's mission to ensure every kid has the opportunity to play the greatest team sport!

For your convenience, Veteran Players and their Siblings may register for the 2011 Season. Players can register by either:

- 1) Registering online by visiting [www.PalatineParks.org/online.htm](http://www.PalatineParks.org/online.htm) (program #9045-9) and following the online registration process, or by
- 2) Completing a registration form and returning it with the appropriate fee to the Palatine Park District.

Veteran Players will be mailed a registration reminder postcard in late February. If you do not receive a postcard in March, you should contact the park district to make sure they have your correct information in their system from the prior season. You still have time to register on line or download the proper registration form/s from this web site. You can also obtain the proper registration form/s at the Community Center or the Birchwood Rec Center.
