

SoftballNation 2011 Slow Pitch Tournaments & Registration

All Teams MUST be sanctioned with SoftballNation for the 2011 season to participate in a SoftballNation sanctioned event.

Tournament Entry Policy: Teams must contact the director of the tournament they wish to enter. Entry Fees should be mailed in advance in the form of a cashier's check or money order unless otherwise approved by the tournament director.

For Post Season Play: No team will be allowed to play unless their entry fee has been received in advance. NO EXCEPTIONS.

Entry and Withdrawal Deadlines are different among tournament directors. No team is guaranteed entry into a tournament if their entry fee has not been received. To guarantee your team's entry, your entry fee should be received by the tournament director prior to any posted entry deadline. Lost postage is no excuse. A full refund will be made if a team withdraws from a tournament prior to the entry deadline. If a team withdraws after the entry deadline, the team is not entitled to a refund. The standard entry deadline is 7 days prior to the start of the tournament.

NOTE: Teams verbally accepted into a tournament who withdraw after the entry deadline are responsible for the entire amount of the entry fee. Returned or canceled checks and tournament "No Shows" result in forfeiture of any berths won and AUTOMATIC AND IMMEDIATE SUSPENSION for the season or until entry fee is paid. A \$50 fee will be added to all returned or canceled checks.

Divisions of Play: Gold, Silver Bronze:(Denoted by: G, S, B)

What does this mean?: Teams will be placed in a division of play that is appropriate to their level of competition. As a general guide, all Men's C teams and above will be placed in the Gold Division. Most Men's D teams will play Silver and Most Men's E teams will play Bronze. Teams may be moved up or down at any time depending on their ability and performance. Teams should not use the division home run rules as the "only" guide to where they should play.

SoftballNation Home Run Rules:

Men's Gold: 5 & 1up

Men's Silver: 3 Home Runs, 4th is an Out, 5th is an Out, 6th and beyond ends the inning.

Men's Bronze: 1 Home Run, 2nd is an Out, 3rd Out and beyond ends the inning.
