

Free Throw Marathon

The Jammers Basketball club started with the goal of teaching players good basketball fundamentals of basketball, competing at the highest levels, and having fun while working hard to accomplish those goals. Our teams compete throughout Central Texas as well as out of state. We compete in high profile tournaments both locally and nationally.

The club has set goals to compete in a number of high profile and national events this year. To help defray the program costs such as coaching, tournament fees, gym rental fees, equipment costs, etc. we have various fundraising events. The Jammers are a non-profit organization and as such 100% of the amount raised through our fundraisers goes towards the program costs and the kids.

Players must bring their Sponsorship forms to the event. Coaches and other staff will be in attendance to verify all counts as true and accurate.

How do I sponsor a player? Easy, you can sponsor on a per free throw made basis, or a flat rate. Please indicate on the attached Sponsorship Form how you would like to sponsor the player. Please only select one method.

The per Free Throw made basis is calculated by multiplying the number of Free Throws made by the rate you have sponsored. As an example if you sponsor for \$10.00 and the player makes 10 free throws your sponsorship amount would be \$100.00 (10 Free Throws made x \$10 per each = \$100)

Flat Rate sponsorship indicates you will sponsor the player for a specific amount no matter how many free throws are made.

The Free Throw Marathon will be held at the following date and time:

- Location: Benold Middle School
- When: Tuesday, April 17
- Start Time: 6:00 p.m.
- Who will participate: All teams
