Parents and Players,

As you can see, we will travel out of town this year for the World Series tournament. The team will be doing extra fund raising to help support

this cause. These fund raising opportunities take a lot of time to organize and plan and the coaching staff expects entire team participation. We will have another golf event this year/ chicken dinner and Wal-Mart event planned and are open to any other parent or player suggestions.

Please let the coaching staff know if your player will miss a tournament due to vacation, family obligation, etc, so we may plan accordingly
