

# NYTEX YOUTH HOCKEY LEAGUE

## Spring 2011: April 23-July 17

**Q: Will all the games be at one location?**

**A: Yes, all games and practices will be held at the NYTEX Sports Centre.**

**Q: Will my Mite be able to play regular games?**

**A: Yes, all Mite games are full ice and traditionally run games. However, all teams will participate in 8 ADM practices sessions in addition on regular games and practices.**

**Q: Will there be a summer session after the spring session?**

**A: Yes, there will be a small break between the spring and summer session, but the summer will begin following the spring.**

**Q: Can my player stay on the same team for the summer?**

**A: Not necessarily. We can try to accommodate this situation, but we will conduct another evaluation skate and draft for the summer sessions.**

**Q: Will times, games and days be consistent for the teams?**

**A: Yes, in fact games for each division will be consistently the same night and times throughout the season.**

**Q: Are there playoffs for the league and session?**

**A: Yes, the final weekend will be a championship tournament where all teams will participate.**

**Q: Will there be a discounted rate if my family misses a game due to vacation?**

**A: No, we have priced the league taking into account that families may miss a game or two for vacations. We have also decided to keep all activities away from key summer dates such as Memorial Day weekend.**

**Q: How competitive is the spring season?**

**A: Since we do an evaluation and draft, all teams will be very competitive and relatively equal. Spring and summer seasons are focused more on the kids having fun and gaining experience and less emphasis on winning.**

**Q: Will the spring season games and practices conflict with the Jr. Brahmas Camp we plan to attend?**

**A: No, because we are making all schedules in house, and all events are at our rink, there will be no conflict with the camp and spring league.**

**Q: When will the schedule be completed?**

**A: The schedule is already done, the draft will take place Monday, April 25 and the schedule will be made public the following day when teams are assigned.**

**Q: What days league play not be available.**

**A: We are taking off Easter Sunday, Mother's Day, Memorial Day weekend and the 4<sup>th</sup> of July.**

**Q: Can my child be placed on the same team as their friends?**

**A: Usually we can get friends or kids who carpool together on the same team without a problem. Please make a note on your registration form regarding the kids your child would like to play with.**
