Tuition includes top notch instruction and a Castleton Summer Hockey jersey. Space is limited, and available on a first come, first serve basis

DIRECTOR ALEX TODD

In the summer of 2005 Alex Todd was named head coach at Castleton, inheriting a team that had gone 0-44 in its two seasons of existence. In Todd's second season the team continued their improvement with a final record of 17-6-4, getting the school's first ever national ranking as high as #8 in the country. The 2007-08 team started slow but finished on a program record 10-game unbeaten streak and earned its first ever home playoff game. The 2008-09 season marked the final season of Todd's first full recruiting class. The Spartans made a successful trip to Germany and Austria for preseason, earning a 3-1 mark overseas. The Spartans finished the year with a 15-9-2 record hosting an ECAC East Quarterfinal game for the second year in a row. This past season, the team's most successful, saw the Spartans go 22-4-1 overall, winning 13-straight games at one point during the season, while being ranked as high as third in the national poll.

A former NCAA Division I ice hockey player for Union College in the ECACHL Coach Todd has also played professionally in the CHL and WCHL where he won the Taylor Cup with the Fresno Falcons. Coach Todd also works with USA Hockey, serving as a head coach at the Select 14's, 17's, Mid Am Regional Camp and the Coaching Director for the Central States Bantam Camp. Coach Todd is committed to the development of local hockey, at Castleton and in the Rutland community, and feels this camp helps to accomplish both.

The Castleton Summer Hockey Program is designed to help you reach your maximum potential before the start of your next season. Offering leagues and skills clinics for boys and girls from squirts and pee-wees all the way through high school and junior level hockey. Each session is tailored specifically to the needs of your age group. Featuring top notch on-ice instruction from college-level coaches and players, Castleton Summer Hockey will give you the time and training needed to improve your game.

Coach Todd will run the up-tempo clinics which will keep you moving and having fun while improving your skills. ***Because this is a development program, Coach Todd reserves the right to assign players to levels that are better suited for their current ability levels. This will ensure their proper development as well as that of the others in the group.*
