

## WHO WE ARE

Dakota United Soccer Club (DUSC) is a consolidation of Capital City Soccer Club (CCSC), NoDak Soccer Club, and Indoor Soccer Association (ISA). DUSC is a 501(c)(3) tax-exempt, non-profit organization that provides the Bismarck/Mandan Soccer community with enhanced player development. We offer year-round opportunities for kids between ages 4 and 19, building enthusiasm and higher quality coaching for the good of the players.

Dakota United's Board of Directors, Director of Coaching Team, and Program Administrator are committed to offering a great soccer program. We are honored to have representatives from two of the area recreational soccer organizations, Bismarck Soccer League (BSL) and Mandan Soccer Club (MSC), as well as the Bismarck/Mandan Soccer Referees Association sit on our board.

DUSC is a member of the North Dakota Youth Soccer Association (NDYSA) and belongs to Region II (Midwest) of US Youth Soccer. Dakota United's coaches are among the best in the community, and are trained and licensed by the US Soccer Federation. <http://www.ndysa.com/>
