

**ACADEMY**

## BECOME A PARTICIPATING ORGANIZATION

### Why Should We Become A Participating Organization?

Our trained instructors can help your team and players advance their current skill level. Your players, coaches, and teams will receive baseball training that is unsurpassed.

Our trained instructors can improve your coaching skills through our Coaching Certification Program.

Don't let the weather be a factor. We will provide your team with an indoor training facility.

Don't miss out on an opportunity to give your team the knowledge and resources to become better coaches and players.

Please contact Ryan Hankins for additional information.
